Dear Sir:

On September 5, 1925, we sold to W H Marshall some eighteen lots in Blocks 2 and 3 of the Bay Improvement Company's Addition to Panama City.

The first one-third payment on these lots was collected by L M West, Secretary of the Bay Improvement Company. As per our contract with the Bay Improvement Company, 25% of this first one-third payment was due to Patterson & Patten. This amounts to $445.83, and we would thank you to hand us your check by return mail that we may properly credit on our books.

Thanking you for your prompt attention, we are,

Yours very truly,
